

Bill Magnarelli: There when you need him

“Bill Magnarelli knows that public/private partnerships help small businesses retain jobs and create new technology jobs throughout Central New York. Bill has delivered over \$51 million to our area to grow good-paying jobs. We need Bill in the Assembly to continue this leadership.”

– Michael Wetzel,
P.E., President and CEO, Air Innovations, Inc.,
North Syracuse

Air Innovations is on the 2010 Inc. 5000 list of fastest-growing privately held companies in America.

It all starts with jobs

Bill Magnarelli brings resources home to Central New York so businesses can flourish and create jobs. He has delivered for:

- The environmental technology sector by providing the resources to start the New York Environmental Indoor Quality Center.
- The Center of Excellence by securing the funds needed to build the state of the art facility in Syracuse.
- The Syracuse University Science Complex by providing the funding to build the Restore Center, which trains students in advanced high-tech fields.
- CNY small businesses to develop new products and create new jobs by providing over a million dollars in Commercialization Grants.
- Employees of Crucible when the company was in jeopardy by securing the funding needed to keep the plant open.

Bill Magnarelli has delivered over \$51 million to our area to grow good-paying jobs.

We need Bill's continued leadership.
