

Bill Magnarelli: There when you need him

Bill Magnarelli: Making a difference

Bill has secured more than \$3 million for the following education/school projects throughout the 120th district:

- School playgrounds and equipment
- Athletic complexes
- Renovated numerous school athletic fields
- New athletic equipment for various sports programs
- Safety/surveillance system
- Aerospace Engineer and Bio-science program
- Computer Labs and equipment
- Computer technology systems and programs
- Science/weather station equipment
- Meteorological equipment
- Internet access
- Sound systems
- Energy management
- Replacement windows for energy cost savings
- Topographical maps and globes for social studies classes
- Cultural related field trips
- Peer Review programs
- Non-violence programs
- Improvement projects to park space adjacent to schools

★ FOR STATE ASSEMBLY

Dear Neighbor,

Others talk about education, but since I took office our schools are receiving over \$150 million more in aid each year.

As your Assemblyman, I have been a consistent advocate for education. I increased aide to the schools in my district, helping to hold the line on property taxes, while preserving quality education.

I will continue to advocate for increased funding until our local schools receive all of the money they were promised in the settlement of the Citizens for Fiscal Equity case. To achieve this goal, I have sponsored legislation to replace the existing school

aid formula with a more equitable formula designed by the Statewide School Finance Consortium.

Bill Magnarelli: There when you need him.

“During my 11 years on the Board of Education there have been many instances where we needed assistance from the state. **My first phone call was always to Bill Magnarelli and he has always delivered.**”

— **Calvin Corriders**
Commissioner of Education, Syracuse City School District

“As a parent, I want my child to have a safe place to play. **Bill Magnarelli made it possible for our families to completely renovate the elementary school playground** as well as supporting many other projects and family organizations in Solvay.”

— **Cynthia DiFlorio**
with daughter Madison and dog Tipper, Solvay, New York

“**Bill Magnarelli has demonstrated a genuine interest in helping young people.** I’ve seen first-hand how his support for funding and legislation has directly benefitted the students in B’ville and surrounding districts.”

— **Mark Ambrose**
retired school counselor, Baldwinsville
